

JOINT VENTURE AGREEMENT (JV AGREEMENT)

Between

SILC LLC (Japan)

and

TRANSCON (Philippines)

1. PARTIES

This Joint Venture Agreement (“Agreement”) is made between:

1. SILC LLC, a company registered in Japan, with its principal office at:

1-6-61 Gakuenhigashimachi, Nishi-ku, Kobe, Hyogo, Japan

Represented by: Mannaa Elsaeid – CEO

2. _____, a company registered in the Philippines, with its address at:

Represented by: _____

Both parties are collectively referred to as “the Partners”.

2. PURPOSE OF THE JOINT VENTURE

The primary purpose of this Joint Venture is to:

- Collaborate in presenting business offers, proposals, and service agreements to companies, institutions, and clients within Japan.
- Facilitate cooperation, representation, project coordination, and any other activities that support business opportunities in Japan.

- Combine expertise, resources, and networks to pursue profitable commercial projects jointly.

3. SCOPE OF COOPERATION

The Partners agree to cooperate in the following areas:

1. Preparing and submitting business proposals to Japanese clients.
2. Coordinating meetings, presentations, and negotiations.
3. Sharing technical, administrative, and commercial support necessary for business development.
4. Representing each other professionally in Japan, when mutually agreed in writing.
5. Providing each other with accurate information required for project execution.

4. RESPONSIBILITIES OF SILC LLC

SILC LLC shall:

- Lead representation activities inside Japan.
- Provide market guidance, translation, local coordination, and communication support.
- Assist with documentation, compliance, and professional presentation to Japanese companies.
- Support project evaluation and feasibility when needed.

5. RESPONSIBILITIES OF THE PHILIPPINE PARTNER

The Philippine company shall:

- Provide accurate project information, documents, and technical details as needed.

- Handle sourcing, supplier-side coordination, and operational support from the Philippines.
- Assist in completing requirements needed for Japanese institutions.
- Maintain transparency and cooperation during project execution.

6. PROFIT SHARING

Profit sharing for each project will be:

- Agreed separately on a case-by-case basis,
 - Documented in writing,
 - Signed by both parties before execution of the project.
- minimum percentage for TRANSCON
 - what is considered “profit” (gross? net?)
 - payment schedule
 - transparency in financial reporting

7. CONFIDENTIALITY

Both Partners shall maintain full confidentiality regarding:

- Business information
- Client information
- Financial details
- Any documents exchanged between the parties

Confidentiality remains in force even after termination of this Agreement.

8. NON-CIRCUMVENTION

Neither Partner shall bypass or attempt to bypass the other Partner in any business opportunity introduced through this Joint Venture. All

clients, suppliers, and contacts shared under this Agreement are fully protected.

9. TERM & TERMINATION

- This Agreement enters into force on the date of signature.
- It remains valid for three (3) years, automatically renewable unless terminated with 30 days written notice by either party.

- What happens to ongoing projects
- What happens to customers introduced by TRANSCON
- Non-circumvention after termination
- Rights to pending payments, commissions, profit shares

10. Governing Law

This Agreement shall be governed by and interpreted in accordance with:

- Japan for all operations inside Japan
- The Philippines for matters related to the Philippine partner

11. DISPUTE RESOLUTION

Any disputes shall first be settled amicably through negotiation. If unresolved, the matter will proceed to binding arbitration in Tokyo, Japan, unless mutually agreed otherwise.

Disputes inside Japan

- Legal system unfamiliar to TRANSCON
- Higher legal cost
- Language disadvantage
- Harder enforcement

12. NO LIABILITY OR INDEMNITY CLAUSE

- Who is responsible if something goes wrong
- Who pays for damages
- What happens if one partner makes a mistake
- How risks are shared
- Who protects whom from losses caused by the other

13. INTELLECTUAL PROPERTY OR CLIENT LIST

All information and contacts you introduce remain protected for 3–5 years.

14. BANK ACCOUNT / FUND MANAGEMENT CLARITY

Who receives client payments?

Who handles project money?

Who pays for expenses?
